Ever since the first Land Rover was conceived in 1947, we have built vehicles that challenge what is possible. These in turn have challenged their owners to explore new territories and conquer difficult terrains. Our vehicles epitomise the values of the designers and engineers who have created them. Each one instilled with iconic British design cues, delivering capability with composure. Which is how we continue to break new ground, defy conventions and encourage each other to go further. Land Rover truly enables you to make more of your world, to go above and beyond.

## DISCOVERY

# NEW FOR 2016

Discovery goes further. Its capability is born from the first Land Rover and is renowned across the city, across country and across the globe. Its contemporary design is purposeful, its drive connected and assured. Add class-leading versatility with seven full-size adult seats and the picture is complete.

## DISCOVERY LANDMARK

With its distinctive shape and superb levels of interior finish and comfort, Discovery Landmark is our most luxurious member of the family yet. Exterior design touches such as its Titan bonnet script and tailgate badges add greatly to the look whilst inside, attention to every single detail and such materials as luxurious Windsor leather seats help create an exclusive space that is both versatile and effortlessly relaxed.

Vehicle shown above is a Discovery Landmark in Zanzibar.

## DISCOVERY GRAPHITE

New for 2016, Discovery Graphite is a truly contemporary and arresting interpretation of Land Rover Discovery. Striking and individual in appearance, the vehicle is always ready for adventure. Added to which, it's packed with additional features. Inside the vehicle, every touch has been included to create a contemporary space.

Vehicle shown above is a Discovery Graphite in Aruba.

# DISCOVERY LANDMARK

Discovery Landmark is ready for anything. With its Titan bonnet and tailgate badges, full-length bright finish roof rails and Narvik Black mirror caps, Discovery Landmark looks truly distinctive. 20 inch five split-spoke alloy wheels further enhance its appearance, together with Alpine sunroof – fitted as standard – and Narvik Black grille vanes and fender vents. The vehicle comes in a select choice of colours including Zanzibar, which has been introduced to the Discovery for the first time and is exclusive to Landmark. Inside, the same exemplary design cues are apparent. The luxurious standard Windsor leather seats are enhanced by stunning Grand Black Lacquer or Straight Grained Walnut trim finishers. And for the first time on Discovery, a Tan interior – is available, exclusive to Landmark and complemented by Ebony door facia and door castings. Unique Landmark badging heightens the vehicle's exceptional appeal.

## DISCOVERY GRAPHITE

Discovery Graphite complements your chosen exterior colour in a truly contemporary and stylish way. Featuring 19 inch seven split-spoke alloy wheels in Gloss Dark Grey finish, a grille mesh in Dark Atlas with a Gloss Black and Atlas frame, Dark Atlas fender vents. A Hard Disk Drive Navigation System and front and rear parking aids are included as standard. The exterior enhancements complement any one of nine paint colours which include Loire Blue, Montalcino Red, Santorini Black, Fuji White and Indus Silver, the Discovery Graphite demands to be noticed.

## EXTERIOR

The Land Rover Discovery's design has constantly evolved during its life and that is why Discovery is always in its element, whether it's crossing town or taking everyone way beyond the city limits for the weekend.

The design of Discovery is accentuated by the use of jewel-like front lights giving the vehicle a contemporary look. While at the rear, the split tailgate has been designed for maximum reach and flexibility to make loading awkward objects easier.

## INTERIOR

What Discovery gains in practicality and space, it doesn't compromise in comfort and attention to detail. Its tactile interior is a contemporary and beautifully crafted environment with seats available in a variety of materials such as Windsor leather. The Windsor leather driver's seat also includes electrically adjusted bolsters that give the driver even greater support. Double-stitching on the fascia top is just one indication of the high-quality finish throughout the vehicle.

It's those final touches that can make the overall effect even more appealing. That's why there's a choice of finishers available including Meteor, Straight Grained Walnut and Grand Black Lacquer. These apply to each of the four doors and down through the central area of the fascia.

### DRIVING TECHNOLOGY

## TERRAIN RESPONSE

Land Rover has always had capability at its heart and Terrain Response proves it. This proprietary technology acts as an off-road expert enabling the driver to tackle almost every surface with confidence. Terrain Response adapts to the responses of the vehicle's engine, gearbox, differentials and chassis systems to maximise driveability, comfort and traction.

There are up to five standard Terrain Response settings: General Driving, Grass/Gravel/Snow, Mud & Ruts, Sand and Rock Crawl. So, the vehicle feels sure-footed no matter what the terrain or weather conditions.

## HILL DESCENT CONTROL

With exceptional ground clearance and short front and rear overhangs, Discovery is cleverly proportioned. Together with impressive torque and delivery of power, these attributes help ensure that the vehicle is eminently capable and highly manoeuvrable on the most demanding terrain.

Land Rover's patented Hill Descent Control (HDC) assists with controlled descents of difficult slopes by maintaining a constant speed and applying braking separately to each wheel.

**Gradient Release Control** is a patented Land Rover system that works with Hill Descent Control (HDC) across terrains such as rock, gravel and sand for more controlled, confident descents. This feature works in reverse and first gear.

As a vehicle enters a steep gradient, there is a moment when the feeling of sudden acceleration can occur, which is why Gradient Acceleration Control has been incorporated into Discovery's standard Hill Descent Control technology. This feature helps reduce the feeling of increased speed and smoothes out the overall effect to make descent feel more assured.

Hill Start Assist ensures you don't roll backwards as you pull away on an incline.

## WADE SENSING\*

The odd expanse of water shouldn't affect a drive. Chances are it won't in Discovery. With a wading depth of up to 700mm, whether crossing streams, fords or flooded areas, an optional Wade Sensing feature located in the door mirrors can prove invaluable.

Unique to Land Rover, it gives the driver pictorial real-time information about the water's depth in relation to the vehicle, as well as maximum wading capability via the Touch-screen.

\*Only available as part of the Exterior Detection Pack.

## MERIDIAN™ SOUND SYSTEM

Land Rover has partnered with Meridian, a world leader in audio technologies and digital sound processing, to develop advanced audio systems for Discovery.

The Meridian™ Audio System delivers superb acoustics and is noted for its excellent reproduction quality from all sources – radio, CD, iPod® or USB. The optional Meridian Surround Sound System features 17 speakers including a subwoofer for full surround sound.

The result is the very best in world-class audio reproduction with sound that you feel and hear, just as the artist intended.

Meridian is a registered trademark of Meridian Audio Ltd. CD and MP3 disc and file compatibility for your iPod® or other MP3 devices is standard. iPod® is a registered trademark of Apple Inc., registered in the US and other countries.

## DRIVER AIDS

## COMMAND DRIVING POSITION

For over 65 years, Land Rover has become renowned for many innovations, one of which is the legendary Command Driving Position. From here, the driver gets an unparalleled view of the road ahead and greater all round visibility. Hazards can be spotted earlier, parking is made easier and as all the key controls come readily to hand, it can help to reduce stress and fatigue.

## COMFORT FOR ALL

### COMPACT SMART KEY – KEYLESS ENTRY\*/PUSH BUTTON START

Once the vehicle has been accessed using the remote transmitter, the device may be stored in a pocket or bag to allow starting without its use. The Keyless Entry system provides even greater convenience. When within close proximity of the vehicle along with the remote Compact Smart Key, simply open the door, get in and push the Start button.

### AUTOMATIC CLIMATE CONTROL

For the ultimate comfort whatever the temperature, heated front seats are available. The driver and passenger preferences can be independently controlled via the Touch-screen for additional comfort.

### SUNROOF WITH ALPINE ROOF\*

Even the rearmost passengers enjoy a glass roof in Discovery with the optional sunroof with Alpine roof. The sunroof tilts and slides electronically and the combined reflective properties of the glass panel and interior sunblinds keep everyone cool and the cabin light and airy.

### TIMED CLIMATE

The optional Timed Climate has an added **Park Heat facility**. This pre-heats the engine, channeling residual heat into the cabin, so the vehicle is warm and comfortable by the time you leave the house. It can be activated immediately by remote control, or pre-programmed through the Touch-screen to ensure it's ready for your regular morning departure time.

\*Not available on Commercial SE.

### REAR SEAT ENTERTAINMENT\*

The Rear Seat Entertainment features two eight-inch screens built into the front headrests, a pair of WhiteFire® digital headphones and a dedicated remote control, you can feel truly at home with your choice of film, TV, music or games console.

### TELEVISION\*

Analogue/digital television\*\* channels can be watched at all times on the rear screens and front Touch-screen when vehicle not in motion.

### HARD DISK DRIVE NAVIGATION

With prompt access speed, graphics and display, the Hard Disk Drive Navigation System (HDD) stores up to 40GB of data. Navigation mapping can be upgraded via a Land Rover Retailer download. Additional features available on HDD-equipped vehicles are DVD Audio and MP3 DVD playback and Virtual CD Auto Changer which saves up to ten albums (in uncompressed format) to the HDD and provides track information for easy identification of CDs and tracks.

### LAND ROVER INCONTROL APPS

The optional Land Rover InControl Apps enables you to use vehicle optimised smartphone apps on the vehicle's Touch-screen. Using the InControl Apps USB port you can enjoy a variety of vehicle optimised apps such as: Contacts, Calendar and Music Player, with more third party vehicle apps being released over time. Your smartphone will also be re-charged whilst using the feature.

### THE PORTABLE AUDIO INTERFACE

Allows the connection to the in-car entertainment system of an iPod® with full track and search integration. An MP3 player or a mass storage device can also be connected via the USB port.

\*Only available on Landmark.  
\*\*Whilst Land Rover continues to work closely with its partners to develop TV standards worldwide, we cannot guarantee the TV feature in all countries at all times.  
WhiteFire® is a registered trademark of Unwired Technology LLC and any use of such marks by Land Rover is under licence.  
iPod® is a registered trademark of Apple Inc., registered in US and other countries.

## BODY AND CHASSIS

# STRENGTH AND STABILITY

### BODY, CHASSIS AND VEHICLE DYNAMICS

By utilising the very latest in Computer Aided Design and state-of-the-art technologies, we have been able to build a chassis that is strong, light and stiff. 'Hydroforming' has enabled our engineers to extrude steel which allows large components to be produced to the highest possible tolerances. Aluminium, magnesium and high strength Boron steel are also used to help shape the vehicle and reinforce specific features such as the front windscreen and rear passenger door pillars.

With exceptional ground clearance and short front and rear overhangs, Discovery is cleverly proportioned. Together with impressive torque and delivery of power, these attributes help ensure a superb drive. Standard ride height is 185mm, off-road height is up to 310mm.

## SAFETY

# DRIVER SAFETY AIDS

### BLIND SPOT MONITORING WITH CLOSING VEHICLE SENSING\*

These optional systems are designed to see what you might miss. Using discrete sensors hidden in the side of the rear bumpers, blind spot monitoring alerts you via an icon displayed in the appropriate door mirror when a vehicle enters a blind spot on either side of your vehicle. If a vehicle approaches at speed from behind when changing lanes, the closing vehicle sensing function will alert you by flashing the icon in the door mirror.

### REVERSE TRAFFIC DETECTION\*

Using radar detectors in the rear of the vehicle, the system is designed to warn you about potential collisions during reversing manoeuvres. The system can help detect a vehicle approaching from either side. When a target vehicle with a credible 'time to collision' is detected (a collision within three seconds or less), the system alerts the driver. Three warnings are given: an indicator lights up in the corresponding door mirror, an audible alert is sounded and a warning symbol is displayed on the camera screen.

\*Only available as part of the Exterior Detection Pack.

DISCOVERY

DESIGN

DRIVING TECHNOLOGY

FINISHING TOUCHES

ENGINES

BODY AND CHASSIS

SAFETY

ABOVE & BEYOND

### AUTOMATIC HEADLAMPS WITH HIGH BEAM ASSIST

The optional Automatic headlamps with high beam assist feature detects vehicle headlamps/tail lights and dips the high beam until the light source is out of range. The system is able to distinguish between automotive and non-automotive light sources.

### ADAPTIVE XENON HEADLAMPS WITH LED SIGNATURE\*\*

Adaptive Xenon headlamps with signature LED lights combine practicality with distinctive design. For more relaxed night-time driving, adaptive lighting varies the light cast ahead of the vehicle so that the beams follow the curve of the road.

\*\*Available as part of Vision Assist Pack Standard Landmark.

## LAND ROVER APPROVED ACCESSORIES

Discovery is so capable and adaptable it can get straight to work across a huge variety of vastly differing terrains, conditions and roles. Even so, some owners want to add their own stamp of individuality by tailoring their Discovery to their specific needs with a range of stylish, practical accessories that are tough, versatile and bring an opportunity

for personalisation to Discovery. Importantly, these accessories can be added at any stage during the vehicle's life – not just when it's new. Naturally, Land Rover Approved Accessories are designed, tested and manufactured to the same exacting standards as the original equipment fitted to your vehicle.

Vehicle shown above is a Discovery Graphite in Aruba.

## STYLE

Side Tubes, Stainless Steel\*  
VTD500020

Side Tubes, Black Steel\*  
VTD500010 (not shown)

Manufactured from stainless steel with a highly polished or black finish. The rugged off-road appearance complements the vehicle's exterior design.

Fixed Side Steps\*\*  
VPLAP0035

The side steps aid entry and exit into the vehicle and improve access to the roof. Design features include bright stainless steel edge trim and a rubber tread mat.

Body Side Mouldings with Bright Insert  
VPLAP0013

Body Side Mouldings without Bright Insert  
VPLAP0012 (not shown)

Providing protection for your door panels from accidental damage by adjacent vehicles.

Stainless Steel Trim Finisher Kit  
VPLAB0044

Includes lower door trim finishers and a tailgate trim finisher.

Bright Finish Mirror Covers  
VPLAB0132 – Upper

20 inch ten-spoke 'Style 104'  
Tyre Specification: 255/50 ZR20  
VPLAW0003<sup>1</sup>

\*Side tubes are not available with side steps. \*\*The fitting of side steps or side tubes may affect the off-road capability of the vehicle. <sup>1</sup>Accessory wheel, rim only. To order the Land Rover Centre Cap please quote part number LR023301.

## OUTDOOR

**Cargo Divider**  
EOH500040

Separates luggage space into two protected sections. Lockable outer gate on one side. Must be fitted with Cargo Barrier. Not compatible with standard Loadspace Cover.<sup>††</sup>

**Cargo Barrier**  
VUB501170

Easily removed. Retains cargo according to ECE-17 regulation. Can be used with standard Loadspace Cover.<sup>††</sup>

**Flexible Loadspace Protector**  
VPLAS0015

Heavy duty fabric helps protect loadspace up to window height. Also covers loadspace floor with second row seats folded. Includes heavy duty gloves.

**Loadspace Mat – Rubber**  
LR006401

Waterproof with retaining lip and hard wearing surface.

**Rubber Mat Set**  
VPLAS0252

Rubber Mats, Third Row  
EAH500100PMA (not shown)

**Front Mudflaps**  
CAS500010PCL

Designed to reduce spray and protect the vehicles paintwork.

**Rear Mudflaps**  
VPLAP0017

**Raised Air Intake**  
VPLAP0018

Ideal for dusty conditions, this raised air intake secures to the vehicle's 'A' post and also utilises the existing air intake vent fixings.

Additional parts are required:  
Raised Air Intake Hose LR020025  
Raised Air Intake Elbow PHD000714

<sup>††</sup>Can be fitted with Loadspace Rubber Mat (LR006401) and Rigid Loadspace Protector (EBF500080).

## SPORTING

**Cross Bars**  
VPLAR0001

Adjustable position crossbars, for carrying all Land Rover roof mounted accessories featured. Easily removed when not in use. Lockable for security. Maximum payload 71.8kg\*\*. Vehicle must have factory-fit roof rails or Roof Rail Kit fitted.

**Ski/Snowboard Holder†**  
LR006849

Carries four pairs of skis or two snowboards. Incorporates slider rails for easy loading. Lockable for security. Maximum payload 36kg.\*\*

**Luggage Box†**  
VPLVR0062

Gloss Black Finish. Opens from both sides. Lockable for security. External dimensions: 1,750mm long, 820mm wide, 450mm high. Internal volume 410 litres. Maximum payload 75kg.\*\*

**Rigid Loadspace Liner**

EBF500010 Not compatible with Cargo Barrier  
EBF500080 Compatible with Cargo Barrier and Cargo Divider

**Collapsible Luggage Cover**  
VPLVS0175

**Loadspace Retention Net**  
VUB503130

Utilises loadspace tie-down points. Includes floor net and two ratchet straps. Strap length approximately two metres.

\*\*Maximum payload equals the load capacity of the roof mounted accessory. †Roof Rails and Cross bars are required for all Land Rover roof mounted accessories. Objects placed above the roof mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation and satellite radio systems, if fitted.

## LAND ROVER EXPERIENCE

Ever since its inception, Land Rover has been ready for anything. Its legendary capability has seen it tackle the most demanding of terrains, in the most difficult conditions. Its versatile interior has become synonymous with comfort and greater loadspace. And its 'can do' attitude has made it the most welcome of vehicles across the globe.

You can be part of the Land Rover story at one of our Land Rover Experience centres. You can see how each and every one of these iconic vehicles is built. You can take one out onto off-road tracks where your driving skills will be put to the test. Or you can go even further on one of our Adventure Travel holidays to such countries as Tanzania, Iceland or Morocco. Adventure awaits.

## BEHIND THE SCENES TOURS

Ever wanted to discover how your Land Rover was built? To see the incredible journey upon which each and every one of our vehicles travels before you receive it?

You can experience how it is created using state-of-the-art technologies, the most efficient processes, the finest materials and British Craftsmanship at our facilities around the world.

From on-demand ordering of parts, to final trim and quality tests, the entire process will come to life before your eyes. It's a truly impressive display of engineering, craft and precision; one that you can then physically enjoy by taking a vehicle out onto one of our Experience Drives.

For more information, visit [landrover.com/behindthescenestours](http://landrover.com/behindthescenestours)

## EXPERIENCE DRIVES

Wading through mud. Crossing a Tipping Bridge. Or creeping up a slippery, steep incline. Our Experience centres have an array of obstacles and challenges to tax even the most accomplished of drivers.

Our experts will teach you how to navigate through some of the most demanding terrain. Then, you can take the skills that you have learned and use them when you drive every day.

There's a choice of courses from Taster Drives through to Full Day Experiences, available in over 40 Land Rover Experience operations around the globe. Each one provides a unique and hugely memorable adventure that you, your family and friends can all enjoy.

You'll never feel more confident behind the wheel.

To book, go to [landrover.com/experiencedrives](http://landrover.com/experiencedrives)

## ADVENTURE TRAVEL

Which destination would top your wish list of places to go on an adventure? The wide open, savagely beautiful plains of the Serengeti? Or simply exploring castles and manors around Britain? Well, you can revel in an epic adventure from the comfort and luxury of a Land Rover, assured in the meticulous planning and local insight for which Abercrombie & Kent is renowned. These two great British brands have come together to bring you a world of exploration, adventure and luxury in iconic worldwide destinations.

Each trip has a local guide and expert Land Rover instructors to provide support and guidance, ensuring you get the most out of your driving experience. Added to which, you will stay in boutique accommodation. Be part of an extraordinary journey, reimagined.

For more information, visit [landrover.com/adventuretravel](http://landrover.com/adventuretravel)

## LAND ROVER GEAR

The vehicle is just the beginning.

Discover the latest collection of Land Rover Gear now available.

A meticulous attention to detail doesn't stop with our cars. You'll find the same level of craftsmanship in all of our clothing, travel items and premium gift ideas. So whether you're shopping for yourself or a loved one, you know the quality is assured.

The Land Rover collection includes ladies and gents clothing, an extensive range of small leather goods such as wallets, portfolios, iPad and iPhone cases along with briefcases and weekender bags. A range of cufflinks and ladies silk scarves add a luxury feel to the collection. There's gear for the kids, too with colourful fun clothing, caps and replica model vehicles for them to enjoy.

To find out more, visit the online shop at [landrover.com/shop](http://landrover.com/shop)

**IMPORTANT NOTICE:** Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles and alterations take place continually. Whilst every effort is made to produce up to date literature, this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Distributors and Retailers are not agents of Jaguar Land Rover Limited by any express or implied undertaking or representation.

All Land Rover Approved Accessories fitted by a Land Rover Retailer within one month or 1,600 kilometres/1,000 miles (whichever occurs first) of the handover of a new registered vehicle will benefit from the same warranty terms and period of cover as the vehicle warranty. Accessories purchased outside of these parameters will be subject to a 12 month unlimited mileage warranty. All Land Rover Approved Accessories are rigorously tested to the same exacting standards as those applied to our vehicles. Performance in extreme hot and cold temperatures, corrosion resistance, impact and airbag deployment highlight some of the exhaustive product testing carried out to ensure accessories are both durable and importantly, continue to comply with current legislation. Some of the accessories featured are not available on all models. Please consult your nearest Land Rover Retailer for more information.

All our accessories are designed to be an integral part of Land Rover vehicles. While many items such as roof carriers are simple to fit, some products require specialist tools and diagnostic equipment to ensure correct integration with the vehicle structure and electrical systems. These products vary from market to market, please consult your Land Rover Retailer who will be pleased to advise you on current specifications and any query you may have.

The colours reproduced here are subject to the limitations of the printing process and may therefore vary slightly from the actual vehicle. The company reserves the right to alter or withdraw any colour finish without notice. Some of these colours may not be obtainable in your country. Please check availability of colours and current specifications with your Land Rover Retailer. Distributors and retailers are not agents of Jaguar Land Rover Limited and have absolutely no authority to bind Jaguar Land Rover Limited to any express or implied undertaking or representation.

Castrol EDGE Professional exclusively recommended by Land Rover.

Please check availability of Standard and Optional features with your Land Rover Retailer.

Vehicle shown on front and back cover is a Discovery Landmark in Zanzibar.
